Notification

New Year 2022 greetings to all beloved students, faculties and staff of Government General Degree College, Kalna-I.

A new year is a fresh start for a new day in life. Allow this New Year to bring more opportunities for a more fruitful and happy life.

Faculties, staff and dear students are requested to keep themselves safe. To avoid getting yourselves and your loved ones infected in the expected upsurge of COVID infections, please wear proper mask, sanitize hands frequently and maintain social distancing. As adults and responsible citizen, do spread the message and sensitise those you know. The New Year festivities must not be the reason for the spread of a virus which we have been fighting for so long. Let us do our best to contain the spread of another wave..
