Program Specific Outcome (PSO): UG History

PSO 1: Learning about the Narratives: Knowledge and familiarity about the (Important)historical events are the very crucial for this discipline.

PSO 2: Develop rational and investigative reasoning: Topics we cover in our (Indian) history (or European History) can be interpreted to have very different conclusions. Through this programme students will develop analytical and critical thinking to understand such dichotomies.

PSO 3: Familiarity with the recent trends in History: Only old research and their findings are not enough to have complete understanding of the subject. That is why this programme will also introduce the students with the contemporary trends in academia.
